Exceptionally built custom home whose materials and design blend functionality with creativity to create living spaces that offer comfort and inspiration. An expansive motor court and wood beam covered entry welcome you to this impressive single-level view home on over 4 acres. Inside you'll find vaulted ceilings, spacious kitchen w/ walk-in pantry, stainless appliances with a 6-burner range, game room, office & more. The large covered patio is the perfect place to enjoy endless views & a meal al fresco!

This home's garage is just under 2,000 square feet, fully-finished and insulated, includes 3 car bays, extra storage space, and a workshop area which was designed with the option to be converted to a granny flat. This home was constructed in 2006 with energy efficiency in mind including low E Milgard dual-glazed
